Manufacturer: InterOpto

Referention number: IO-PCS-APC-3mm-10m-G.657

Full product description

Simplex Fiber Patchcord consists of a single fibre, which ends with an SC/APC connector on both sides. The outer coating is made of LSZH materials (a material that, during combustion - e.g. as a result of fire, emits a minimum amount of smoke and zero harmful gases). This type of fiber optic cable is often used for ftx subscriber network construction, including racks or mffs. G.657A2 fibers fully compliant with G.652D standard.

SPECIFICATION

Technical parameters	
Type of fibre	G.657A2
Length [m]	10
Cable outside diameter [mm]	3
Connector	SC/ACP-SC/APC
Connector intrusive losses [dB]	approx. 0.1 (Gold Class)
Outer shell	LSZH (Low Smoke Zero Halogen) Color: White
Minimum bending radius [mm]	10
