Manufacturer: Mantar

Referention number: MT-PS-192-12SXMod

Full product description

2U fiber switch designed for installation in 19" racks, made of sheet metal (thickness 1mm) powder-painted in RAL7035 color. Modular switch, equipped with 4 modules (cassettes) for 12 SC Simplex ports each. Modules, made of ABS, are included.

In addition, they have notches, so you can attach tubes or splitters. They also function as weld trays (each 12 each) and a stock for protective tubes (with fibers).
